Dear Bulldog,

It’s time to put plans in place! If you have not already marked your calendars to attend our 50th class reunion **DO IT NOW!** It should be a wonderful weekend. Again, the dates are May 17-19, 2013. Tony Taylor’s recent letter has all the particulars.

### CLASS OF 1963 50th REUNION GIFT UPDATE

Current Statistics:
- **Participation:** 21%, with a goal of 63% participation
- **Contributions:** $1,249,015, which is 64% towards our goal of $1,963,000
- **Currently signed up to attend:** 87 people, or 28% of our class

As you may recall, our focus is on our *legacy* for our 50th Reunion Gift - what we leave behind for our loved ones, our families, our children - and our University. When planning your legacy, family always comes first. However, once your family is fully protected, there may be opportunities to support organizations that have become important to you over the past 50 years. As our new president, Ralph Kuncl, clearly stated, "I hope you can make the University of Redlands one of the top three organizations you support."

This is John speaking now. As I look back on my years at the University and remember things like the football games, dorm life, wash parties, the smell of orange blossoms - and the hay fever they produced - I also remember that I learned how to write. That ability has been very valuable to me and is one of the reasons I have supported Redlands with a Charitable Remainder Unitrust (CRUT), my legacy gift to the University. Plus, my wife and I receive lifetime income until we are both gone. (See the attachment for a further explanation of how this works).

Jim speaking: I hope you will choose to join the many of us who have named the University in our trust and wills. Cathy and I found it very easy to do!

As you look back, certainly you will be able to recall similar experiences and impacts from your days at Redlands. Go ahead and make a difference to Redlands as you do your estate planning! Wills and Trusts can be a painless and inexpensive process to assure your family is protected and your vision and values are protected. Direct donations to Redlands from Individual Retirement Accounts (IRAs) are permitted for 2013 with no income tax obligation to the donor. (Again, see the attachment for further information).

Please seriously consider the Legacy gift. In addition, please consider stretching your annual gift to a 5-year reunion commitment, allowing us to count your entire commitment in the reunion class gift total. Your continued investment is so important but, above all, please **come to the reunion!!** Your participation is the key to its success.

**Och Tamale!** And we’ll see you there!
